ITX Founder Dons National Magazine Cover

Fort Collins, Colorado, January 17, 2008 – Information Technology Experts, Inc. (ITX) today announced that founder, Mai Tran, is the cover story in *Doanh Nhan*, a nationally-acclaimed Vietnamese business magazine based in Houston, Texas. The magazine is highly-respected throughout the United States Vietnamese community, can be found in over 100 business outlets, and on major airlines.

“I’m proud that this article features my views regarding how young entrepreneurs can be successful in business, says Mai Tran, “and I’m honored that they asked me.”

About ITX

ITX is northern Colorado’s leading full-service IT support provider. Founded in 1996 by Mai Tran and Bruce Hottman, ITX has 115 employees and posts a 31% annual average growth rate. ITX serves over 140 commercial and government clients from offices in Fort Collins, Greeley, Denver, and client locations nationwide. ITX core competencies include: network administration, database & software development, network security, hosting, security cameras, and IP phone systems.
