## ITX Increases Sales Staff

**Fort Collins, Colorado, December 9, 2008** – Information Technology Experts, Inc. (ITX) today announced the addition of Laura Evans as a Business Technology Consultant focusing on growing ITX's commercial division. Before joining ITX, Laura owned InTune Marketing where she served as a marketing consultant and web developer.

Doug Stewart recently joined ITX's Federal Business Practice as the Manager of Business Development focusing on growing ITX's government division. Prior to joining the company, Doug served in similar roles for Managed Business Solutions, and CIBER, Inc.

### About ITX

ITX is northern Colorado's leading full-service IT support provider. Founded in 1996 by Mai Tran and Bruce Hottman, ITX has 140 employees and posts a 31% annual average growth rate. ITX serves 200 commercial and government clients from headquarters in Fort Collins, Colorado, and client locations nationwide. ITX services include: network design & administration, VoIP phone systems, software & web development, server & PC support, network security, and managed services.
